Morgantown, WV 26501

To Whom It May Concern:

The ASE program has been implemented at the LaRosa Boys & Girls Club since spring of 2006. As the club's director, I have been overwhelmed with the program, as it has been very beneficial to our members and a great success. I am thankful to The EdVenture Group for partnering with us on this important initiative.

Sincerely,

Thomas P. Maglicco
Executive Director
LaRosa Boys & Girls
